

Help Us Serve You

Please look in your packet for a list of Time and Talent opportunities. You could give a tremendous gift to Briarwood if you would share with us an initial list of skilled craft people from your congregations, who would be willing to contribute or work at a reduced rate.

We are also appealing to each NTNL congregation who has not included Briarwood in their 2007 Budget to make a minimum contribution of \$1000.00 per year... less than \$25.00 per week. Many thanks to those who have already included Briarwood in their budget for 2007.

Please also check out how you increase what you and/or your congregation gives to Briarwood through:
